Benefits of Joining !!!

There is no better time to join the Idaho Permit Technicians. IDPT is an exciting and educational committee designed to offer training, experience, networking and support to succeed in this profession.

Membership in IPT has many benefits such as:

- ◇ Membership with a professional direction
- ◇ Support, organize and participate in educational seminars and training programs relating to the practices, procedures, administration and enforcement of permitting activities and building codes
- ◇ Promote the value and professional recognition of Permit Technicians
- ◇ Expand knowledge
- ◇ Advance the standardization of this profession within the jurisdictions engaged in building, land use and development regulations
- ◇ Support the goals and objectives of the International Code Council and the Idaho Association of Building Officials
- ◇ Promote the attainment of ICC Certifications

It's easy to join! Fill out and send in the application and belong to this great committee. IDABO has waived the IDABO membership requirement and you can join for the individual fee of \$15 for 2025 if your jurisdiction is not an IDABO member. Annual membership is January thru December.
